## APPLICATION

6490-67350

Honorable James H. Welsh  
Commissioner of Conservation  
Louisiana Office of Conservation  
P. O. Box 94275  
Baton Rouge, LA 70804-4275

Re: Cibicides Carstensi Zone, Reservoir A  
South Chauvin Field  
Terrebonne Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DENBURY ONSHORE, LLC** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Cibicides Carstensi Zone, Reservoir A**, in the **South Chauvin Field**, Terrebonne Parish, Louisiana, to-wit:

1. To redefine the Cibicides Carstensi Zone, Reservoir A, previously defined in Office of Conservation Order No. 547-S, effective September 27, 2005, as being that gas and condensate bearing sand encountered between the depths of 9,680 feet and 11,654 feet, electrical log measurements, in the Denbury Onshore, LLC – LaTerre No. C-7 Well Sidetrack, located in Sections 66 and 67, Township 18 South, Range 18 East, Terrebonne Parish, Louisiana;
2. To confirm and continue in force and effect the exterior boundaries of the existing CIB C RA SUA, created by Office of Conservation No. 547-S, for this redefined interval;
3. To confirm the Denbury Onshore, LLC (Apache)-ALMI No. 67-1 Well as the unit well for CIB C RA SUA;

4. To confirm Denbury Onshore, LLC as the unit operator for CIB C RA SUA;
5. To confirm and continue in force and effect all pertinent provisions of Office of Conservation Order No. 547-S, except to the extent they are in conflict herewith; and
6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Cibicides Carstensi Zone, Reservoir A, in the South Chauvin Field, Terrebonne Parish, Louisiana, was previously defined in Office of Conservation Order No. 547-S, effective September 27, 2005, and is hereby redefined as provided in numbered paragraph 1 hereof.

**The proposed redefinition would not change any owner's unit share of the existing unit.** The proposed redefinition would add an additional six (6) feet on the top of the existing definition for the Cibicides Carstensi Zone, Reservoir A, and would make no change to the base of the existing definition.

The pre-application conference tentatively scheduled for August 29, 2007, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting Holmes Smart, 200 Audubon Blvd., Lafayette, Louisiana, 70503, (337) 232-4031.

There is attached hereto and made a part hereof a plat reflecting the boundaries of CIB C RA SUA, and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY
